Dear Anne,

I can't tell you how badly I felt to read your letter. I have the highest admiration for the Junior Class for choosing the best possible Secretary-Treasurer they could possibly have. And Helly Bryan has wonderful judgement in choosing the most capable worker I know to handle publicity for the Hamper. Still, I'm quite angry with both of them for stealing our best worker.

Believe me, I know how hard it is to keep up too many extra-curricular activities, and every now and then I have to remind myself that it really is the studying that we come to Smith for. If you think it's too much, I'll have to leave that up to you. But - I simply refuse to let you forget WCSR (not that you want to). Would you be willing to be Assistant Business Manager? I hope you'll say yes, for it won't be too much work.

Were we supposed to cancel our Western Union service for the summer? I imagine so, and it seems a shame that we have to pay so much. Or did you tell me that it would cost just about that much to have it taken out and re-installed?

Anne Williston has been over the station and says some bills and checks are waiting. I only hope the bills are smaller than the checks.

Glad you had such a wonderful summer, in spite of the mosquitoes. Can't wait to get back, can you? See you soon.

Sincerely,

Walter Lippmann
